Disclaimer regarding Unauthorised Communication and Investment Advice

The Company hereby clarifies that it does not provide any stock tips, buy/sell recommendations, target prices, price projections, guaranteed returns, investment advice or any solicitation to invest in the securities of the Company through any unauthorised channels including but not limited to Telegram, WhatsApp, YouTube, social media platforms, websites, blogs, online forums or any other third-party communication platforms.

Investors and stakeholders are advised to rely only on information and disclosures officially made by the Company through recognised stock exchanges and the Company's official website.

The Company does not authorise any person, entity, intermediary or third party to represent, communicate, publish or circulate any investment recommendation, trading advice, expected returns, price targets or any similar information on behalf of the Company.

Any communication, content, video, message, post or analysis circulated through third-party platforms is neither created, approved, verified nor endorsed by the Company. The Company shall not be responsible or liable for any reliance placed by any person on such unauthorised content.

Investors are requested to exercise appropriate caution and conduct their own independent evaluation before making any investment decision. The Company disclaims any responsibility arising from any unauthorised communication or representation made by third parties using the Company's name, brand, information or disclosures.
